To raise funds to support the work of ABCD Bethlehem, we're pleased to announce the launch of PalArt 2020, an online auction of original artworks by British, Palestinian and international artists.

We are looking for small original works of art, framed or unframed—paintings, etchings, drawings, linocuts, embroideries, silhouettes. These can be donated anonymously or signed, with your biography (and link to your chosen website) featured on palart.org.uk. Online bidding for the artwork will open from July 1st.

The money raised will go towards ABCD Bethlehem's work supporting children and their families in and around Bethlehem and at the three West Bank refugee camps where we help establish, equip and staff disability centres which are havens of peace and aid in a very troubled area. The need is pretty dire due to major cut-backs in UN funding. The charity is now in its 34th year of helping children.

If you can help, please let us know by emailing info@abcdbethlehem.org, completing the online form at palart.org.uk, or by phoning Anthony Glaister on +44 (0)7711 423649. Arrangements for posting or collecting the donated artworks will be supplied.

We appreciate that this is a big ask, and thank you so much for your support.
